## Vision Benefit Summary for the Employees of AFGE 0003

### Full Plan Benefit Design

Your DeltaVision benefit plan is administered through EyeMed Vision Care, one of the nation's leading vision providers. This plan includes coverage for important preventive eye care, and discounts on laser vision correction.

The benefit summary below does not cover all plan details. Further information can be found in the Summary of Benefits within the DeltaVision Benefit Handbook. That document provides a thorough explanation of your vision plan, including any limitations or exclusions that might apply. If there are any discrepancies between information found here and the group contract, the group contract shall govern.

## EyeMed Vision Care Provider Network

Your DeltaVision plan is supported by the EyeMed Vision Care provider network. This large network includes private practice optometrists, ophthalmologists, and opticians, as well as many leading optical retailers, including all LensCrafters locations nationwide.

For an up-to-date listing of EyeMed providers in your area, visit our website at [www.deltadentalwi.com/visionproviders](http://www.deltadentalwi.com/visionproviders), or call EyeMed's Customer Care Center at 866-723-0513. Please contact the provider prior to receiving services to verify his/her participation in the network.

## Accessing Your DeltaVision Benefit

Receiving your vision benefit is as easy as visiting your nearest EyeMed Vision Care network provider. Before visiting an EyeMed network provider we recommend the following:

1. Inform your vision care provider that you are a DeltaVision member and give them your name, the name of your organization or plan, and your member ID number (usually your Social Security number).
2. Identify yourself as a DeltaVision member when you arrive for your appointment, and then present your ID card.

## DeltaVision Benefit Selections

With your DeltaVision benefit, you'll receive great savings and a wide selection of frames and lenses at EyeMed network provider locations.

- DeltaVision members can choose from any frame available and EyeMed network providers offer a wide variety of frames, including frames from the world's leading frame manufacturer, Luxottica. Anne Klein<sup>®</sup>, Brooks Brothers and Persol<sup>®</sup> are just a few of the Luxottica brand frames available at most EyeMed independent providers and LensCrafters locations.
- In addition to the great frame selections, you'll have many options to add to your eyeglass lenses at reduced prices. EyeMed network providers can offer anti-reflective coating to reduce glare and UV coating for extra protection from the sun. You can also choose scratch-resistant lenses or polycarbonate lenses.
- If you wear contacts, EyeMed network providers offer brand name contact lenses, including disposable contact lenses, and supplies to meet all of your vision care needs.
